Past Papers

Past papers are a very effective way to revise for Creative iMedia.

- Complete some past papers or past questions to get use to the **command words** used in exams.
- Past papers will also help you get used to the mark schemes and the terminology that they use.

Prioritise Weak Areas:

Identify and prioritise your weaker areas once you've broken up the Sport specification. Addressing these first allows you to allocate more time and focus to the topics that need improvement.
