

March 2024

Year 9 Options Evening – Tuesday 19th March: 5.30 – 7.45pm

We are delighted to be able to invite parents/carers and students to our 'options evening' to be held on Tuesday 19th March. This is a crucial time for your son/daughter, where choices will be made that will shape their education for the next two years here at Arrow Vale.

This evening is amongst the most important that you will attend during your child's time at Arrow Vale. It will allow parents/carers and students to make informed decisions about the subjects they will study in Years 10 and 11. We hope that you can attend this evening to play an integral part in choosing those courses that are appropriate and that your son/daughter will enjoy.

Parents/carers and students will be given information on completing the options process and can visit departments to determine if the course choices are appropriate.

Presentations explaining the process will run at several times during the evening. The presentation that you will have been allocated to attend will be dependent upon your child's form group. For logistical reasons it is important that you attend the presentation allocated as follows:

5.30pm: Theatre	6.10pm: Theatre	6.50pm: Theatre
9A1	9E1	9B2
9A2	9E2	9D1
9B1		9D2

- Those students allocated the first presentation at 5.30pm should visit departments at the conclusion of their presentation.
- Those students allocated the second presentation at 6.10pm could visit some departments between 5.30 and 6.00pm and further departments following the presentation.
- Those students allocated the third presentation at 6.50pm should visit most departments between 6.00pm and 6.40pm and further departments after the conclusion of their presentation.

Continued....

If the presentation time allocated presents an issue for your family, then please do not hesitate to contact Mrs Ierston (Head of Year 9), who will happily help to resolve it.

Could all visitors please park on the school tennis courts, which are accessed from Matchborough Way.

Yours sincerely
